RESEARCH INTERESTS

* **Marine studies:** ocean policy and governance, climate change, marine resource use and management, marine protected areas, blue economy.

* **Human geography:** development, globalization, political ecology, lifestyle migration, land use/ land cover change.

EDUCATION

- 2011** Ph.D., Environmental Studies
University of California, Santa Cruz, California, USA
“Re-making lives abroad: Lifestyle migration and socio-environmental change in Bocas del Toro, Panama”.
Advisors: Dr. Jeffrey Bury, Dr. Mark Carr, Dr. Greg Gilbert, and Dr. Daniel Suman
- 2008** M.A., Environmental Studies
University of California, Santa Cruz, California, USA
- 2004** M.A., Marine Affairs and Policy
University of Miami, Rosenstiel School of Marine and Atmospheric Science, Florida, USA
- 1999** B.A., Economics and International Studies. Minor in Women’s Studies
University of Richmond, Richmond, Virginia, USA

ACADEMIC APPOINTMENTS

- 2015 – Present** **Assistant Professor**, School of Public Policy, Oregon State University (OSU), Corvallis, Oregon, USA
Affiliate Faculty, Pacific Marine Energy Center, OSU
- 2019 – Present** **Research Associate**, Coiba Research Station, Coiba – AIP, Panama
- 2015 – Present** **Research Associate**, Smithsonian Tropical Research Institute (STRI), Panama
- 2012 – 2014** **Postdoctoral Fellow**, Smithsonian Tropical Research Institute (STRI), Panama
Instructor, McGill University, Montreal, Canada (Panama Field Study Semester)
Internship Coordinator, STRI and McGill University (PFSS), Panama City, Panama

PROFESSIONAL & ACADEMIC EXPERIENCE

Leadership

- 2021-2023** *Scientific Advisory Team Member (inaugural cohort)*. National Ocean Protection Coalition (NOPC).
- 2021** *Advisory Board Member*. Panamanian Alliance for Community Based Tourism (PACT) Initiative.
- 2020-2021** *Leaders for Sea Change Program*. COMPASS – Science Communication.
- 2020** *Advisory Council Member* for Softer Edge, a project supporting women and non-binary people in STEM fields. California, USA.
- 2019-2020** *Steering Committee Member*. NRT Summit: Transformative Connections. Corvallis, Oregon, USA.
- 2019** *Science Co-Lead*, West Coast Ocean Change workshop. COMPASS – Science Communication. Asilomar, California, USA.
- 2016-2021** *Leadership Team*, National Science Foundation (NSF) National Research Traineeship on Risk and Uncertainty Quantification in Marine Science. OSU, Corvallis, Oregon, USA.
- 2012-2013** *Coordinator of Coastal Development sub-group*, Observatory and Forum on Sustainability in Panama. McGill University, STRI, USMA, INDICASAT. Panama City, Panama.
- 2012** *Director*, Department of Research, Asociación Nacional para la Conservación de la Naturaleza (ANCON), Panama City, Panama.
- 2003-2005** *Social Science Program Specialist*, National Oceanic and Atmospheric Administration (NOAA)'s National Marine Protected Areas Center. Monterey, California, USA.

Invited Expert Forums

- 2020** *Advancing Ocean-Climate Scientific Leadership Along the U.S. West Coast: A COMPASS & CA Ocean Science Trust Virtual Convening on Climate & the Ocean*. COMPASS and CA OST. Online event.
- 2020** *Marine Reserves Size and Spacing Workshop 2.0*. The Nature Conservancy and Packard Foundation. Corvallis, OR, USA.
- 2020** *Developing Future Scenarios for Climate Change in the California Current Ecosystem*. Pacific Fisheries Management Council and The Nature Conservancy. Garden Grove, CA, USA.
- 2018** *Fishing for Solutions in a Changing Ocean: A COMPASS Science and Decision Roundtable*. COMPASS – Science Communication. Washington, DC, USA.
- 2017** *Ocean Change and People: A COMPASS Communication and Policy Workshop*. COMPASS – Science Communication. Airlie, Warrenton, Virginia, USA.
- 2012** *Charting the Future of Environmental Studies at the Liquid Jungle Lab: Research Planning Workshop*. Woods Hole Consortium (WHC). Canales de Tierra Island, Panama.
- 2011** *A new chapter for marine time-series research in Tropical America*. Panama Paleontology Project. Smithsonian Tropical Research Institute (STRI), Bocas del Toro, Panama.
- 2006** *Ecosystem-based management working group*. National Center for Ecological Analysis and Synthesis (NCEAS), Santa Barbara, California, USA.

Consultancies

- 2019** Booz Allen Hamilton - *Reviewed Expeditionary Culture Field Guide on Panama*. Panama.
- 2012** International Community Foundation (ICF) - *Needs assessment for Open Blue Cobia*. Panama.
- 2012** CRESOLUS - *Climate change resilience project proposal to UNDP*. Panama.
- 2005** Centro de Estudios y Acción Social Panameño (CEASPA) - *Environmental education and wetland conservation*. Panama.
- 2000-2002** German Cooperation Agency/ Cerro Hoya Project (GTZ-ECO) - *Protected area management and environmental education*. Panama.
- 2000** URBIO, S.A. - *Coastal management*. Panama.

Policy Briefs/ Reports

Urgent Need to Ensure the Health of Wild Fisheries in a Changing Ocean. Sent to FAO and COFI in response to FAO's November 2019 International Symposium on Fisheries Sustainability. Signed by over two dozen leading scientists and conservationists from around the world who convened at the 2019 Pew Annual Fellowship Meeting in Hilo, HI, USA.

GRANTS, FELLOWSHIPS & HONORS

2020-2023 *Assessing Community Vulnerability to Ocean Acidification Across the California Current Ecosystem*. NOAA Ocean Acidification Program. \$1,040,662. PIs: **Spalding** (OSU Lead PI), Wolters, Levine, Teneva, Hill, Kimball, and Whitefield.

2019-2023 *Implementing a Pilot Program for Elimination of River Plastic Waste in Panama*. Benioff Ocean Initiative – University of California, Santa Barbara. \$2,700,000 (\$145,000 for Socio-economic research). PI: Mirei Endara de Heras (as Director of Marea Verde, Panamá). **Spalding** is socio-economic research co-lead.

2019-2020 *NRT-DESE: Risk and uncertainty quantification in marine science*. Supplemental fund for an NRT Summit to be hosted at Oregon State University (OSU) with a Marine and Coastal Focus. National Science Foundation (NSF). \$88,911. PI: Ciannelli (OSU Lead PI). **Spalding** is key contributor.

2019-2020 *Ocean Acidification: Oceanographic, Social, and Ecological Insights for Decision Making*. Lenfest Oceans. \$300,000 (\$28,000 to OSU). PIs: Hill, Kroeker, Gaylord, Sanford, **Spalding** (OSU Lead PI).

2019-2021 *The Geography of Stress: Impacts of Ocean Acidification along the California Coast*. California Sea Grant – Ocean Protection Council. \$250,000 (\$24,000 to OSU). PIs: Hill, Kroeker, Gaylord, Sanford, **Spalding** (OSU Lead PI).

2018 College of Liberal Arts Travel Grant. Oregon State University. \$1,500.

2017 *Engaging with the human dimension of fisheries policy in Panama through the evaluation of small-scale fisheries data collection options and community informed planning*. Oregon State University College of Liberal Arts Research Award. \$5,000.

- 2017** *Engaging with the human dimension of fisheries policy in Panama through the establishment of a small-scale fisheries data collection system and community informed planning.* Oregon State University Research Office Small grants (SG) Incentive Program. \$6,200.
- 2015-2020** *NRT-DESE: Risk and uncertainty quantification in marine science.* National Science Foundation (NSF). \$3,088,740. PI: Ciannelli (OSU Lead PI). Co-PIs: Jones, Todorovic, Gitelman, **Spalding**.
- 2015-2019** STRI-SENACYT internship program, Panama. \$215,000.
- 2015-2017** Member of the National System of Researchers (SNI), Panama.
- 2014** *Transdisciplinary Academy in Marine Resource Sustainability.* Fellowship on interdisciplinary approaches to marine studies. Hatfield Marine Science Center, OSU. Newport, Oregon, USA.
- 2014-2017** *Research Experience for Undergraduates (REU) Site in Integrative Tropical Biology at STRI, Panama.* NSF. \$340,000. PIs: McMillan, **Spalding**.
- 2012-2013** *Historia Y Evolución de la Tenencia de Tierra en Panamá: Implicaciones sociales y ambientales para el Panamá de hoy.* Specialized Re-insertion grant. Research and Development Program. Secretaría Nacional de Ciencia, Tecnología e Innovación (SENACYT). \$53,728.
- 2009-2011** *Lifestyle migration to Bocas del Toro.* Visiting Pre-doctoral Fellow. STRI, Panama.
- 2008-2009** *Political ecology of land ownership and economic change.* Short-term fellow. STRI, Panama.
- 2006-2010** Environmental Studies Departmental Research Award. U of California Santa Cruz, USA. \$3,800.
- 2006-2008** Research Grant. Center for Tropical Research in Ecology, Agriculture and Development (CentTREAD), U of California Santa Cruz, USA. \$2,300.
- 2005-2011** *Socio-environmental impacts of Lifestyle Migration to Bocas del Toro, Panama.* Doctoral Fellowship. Panamanian government (IFARHU/SENACYT). \$211,282.
- 2002-2004** Graduate Academic Scholarship Program. Organization of American States (OAS). \$60,000.
- 1999** Dean's List, University of Richmond, Virginia, USA.
- 1995-1999** University Scholar, University of Richmond, Virginia, USA.

SCIENTIFIC CONFERENCES & EVENTS

Participant. 2021 National Science Foundation Research Traineeship (NRT) Annual Meeting: Shaping 21st Century STEM Graduate Education. Online event. 2021.

Session Organizer. "Integrating human perceptions, natural and physical processes, governance narratives, and policy options: Optimizing conservation-based responses to climate change and other stressors?" 6th International Marine Conservation Congress. Online event. 2020.

Invited Symposium Speaker. "Evaluating Social Outcomes of MPAs: Integrating best practices with ecological interactions and temporal considerations". Presented in symposium on *Increasing transparency and clarity in tracking Marine Protected Areas: Introducing The MPA Guide*. 6th International Marine Conservation Congress. Online event. 2020.

Invited Panelist. Marine Studies Initiative World Ocean Day event 2020. Online event. 2020.

Invited Speaker. *“Spatial and Ecological Insights for Decision-making on Changing Ocean Chemistry”*. 2020 Invited Luncheon Speaker at Salmon Bowl – National Ocean Science Bowl Regional Competition. Corvallis, OR, USA. 2020.

Invited Speaker. *“Spatial and Ecological Insights for Decision-making on Changing Ocean Chemistry”* – Session on Addressing Ocean Acidification Impacts. Pew Marine Conservation Fellows Annual Meeting (Invite-only event). Hilo, Hawai‘i, USA. 2019.

Session Organizer. *“Inputs to Marine and Coastal Management: Wellbeing, stakeholder engagement, and funding as different approaches to a shared problem”*. Society for Applied Anthropology (SfAA). Portland, Oregon, USA. 2019.

Invited Speaker. *“Governance and Policy for OUR Changing Oceans”* - “Ignite Talk” for OSU Research Office Connection Session on NSF’s Coasts and People Initiative. Corvallis, Oregon, USA. 2019.

Invited Facilitator for breakout session on *“Human Dimensions Research, Policy, and Community Engagement”* at the Pacific Marine Energy Center (PMEC) annual All-Center meeting. Portland, Oregon, USA. 2018.

Workshop and Session Organizer, and Presenter. WORKSHOP: *“Engaging the Human Dimensions of Coastal Research: Small-scale fisheries data collection to support management and conservation in Panama”*; SESSION: *“Linking Social Science with Policy Windows: Lessons from implementing research at the right time, in the right place”*. International Marine Conservation Congress (IMCC5). Kuching, Malaysia. 2018.

Invited Panelist for Town Hall on *“Making Your Science Matter: Engaging with decision-makers to navigate ocean change”*. Organized by COMPASS for Ocean Sciences Annual Meeting. Portland, Oregon, USA. 2018.

Presented by Ms. Sativa Cruz. *“Connecting Environmental Worldviews, Humanities, and Justice to Diversity Efforts”*. Biennial Conference on University Education in Natural Resources, Nacogdoches, Texas, USA. 2018.

Session Organizer and Presenter. *“Socializing Transdisciplinary Marine and Coastal Research and Training I: Experiences from the field; and Socializing Transdisciplinary Marine and Coastal Research and Training II: Social science led research”*. Society for Applied Anthropology (SfAA). Santa Fe, New Mexico, USA. 2017.

Presented by Mr. Eric Wade. *“Integrating Property Rights into Fisheries Management: The case of the managed access program in Belize”*. Gulf and Caribbean Fisheries Institute (GCFI) Annual Meeting. Merida, Mexico. 2017.

Invited Panelist for discussion on *“Leadership and Power Dynamics in Fieldwork”*. Organized by Women in Marine Science, Oregon State University. Corvallis, Oregon, USA. 2017.

Invited Panelist. *“Engaging the Human Dimension of Coastal Research: Small-scale fisheries data collection to support management and conservation”*. Western Society of Naturalists Student Symposium. Pasadena, California, USA. 2017.

Invited facilitator for Session on *“Heritage for All: Passing on the World Heritage baton from one generation to the next”* at the IUCN World Conservation Congress. Honolulu, Hawaii, USA. 2016.

Presenter. *“Navigating Marine Policy in Panama: A case for the need for clear coastal and marine property regimes”*. Association of American Geographers (AAG). San Francisco, California, USA. 2016.

Invited Seminar Speaker in Geography, Anthropology and Integrative Biology departments, Oregon State University. Corvallis, Oregon, USA. 2015-2017.

Presenter. *"Exploring Land Tenure in Panama: Linking land policy with ideologies of development"*. Association of American Geographers (AAG). Chicago, Illinois, USA. 2015.

Invited Speaker. *"Reconceptualizando el acaparamiento de tierras en Panamá: Turismo residencial como impulsor de cambios en el archipiélago de Bocas del Toro"*. Jornada Académica de la Facultad de Humanidades de la Universidad de Panamá: Metodologías y aportes novedosos en el campo del turismo. Panama City, Panama. 2015.

Invited Speaker. *"Linking Land Policy with Development Outcomes: Lifestyle migration and land use change in the Bocas del Toro Archipelago, Panama"*. School of Public Policy, Oregon State University. Corvallis, Oregon, USA. 2015.

Presenter. *"Lifestyle Migration To Bocas Del Toro, Panama: Who is moving? Why? And How?"*. Latin American Studies Association (LASA). Chicago, Illinois, USA. 2014.

Session Organizer. *"Re-conceptualizing the "grab for land" in Latin America: Lifestyle migration as a driver of change in land tenure, land use, and socio-economics in Bocas del Toro, Panama"*. Conference of Latin American Geographers (CLAG). Panama City, Panama. 2014.

Session Organizer. *"Living the Panamanian Dream: Who wins and who loses?"* Latin American Studies Association (LASA). Washington, DC, USA. 2013.

Presenter. *"Extranjeros en Búsqueda del Sueño Americano en Bocas del Toro: Realidad o Ilusión?"* Congreso de Antropología Panameña. Panama City, Panama. 2013.

Presenter. *"Re-Making Lives Abroad: Lifestyle migration and socio-environmental change in Bocas del Toro, Panama"*. American Anthropological Association (AAA). San Francisco, California, USA. 2012.

Presenter. *"Re-making lives abroad: Lifestyle migration and socio-environmental change in Bocas del Toro, Panama"*. Smithsonian Tropical Research Institute (STRI). Earl S. Tupper Seminar. Panama City, Panama. 2012.

Presenter. *"Local and Foreigner Perspectives on Social and Environmental Change in Bocas del Toro"*. Smithsonian Tropical Research Institute (STRI). Monthly Public Meeting. Bocas del Toro, Panama. 2010.

Invited Speaker. *"Perspectivas Locales sobre Cambios Sociales y Ambientales en el Archipiélago de Bocas del Toro"*. Ministry of Education/ Smithsonian Tropical Research Institute (STRI). Bocas del Toro teacher workshop. Bocas del Toro, Panama. 2010.

Presenter. *"Background on Social and Environmental Change in Bocas del Toro"*. Smithsonian Tropical Research Institute (STRI). Monthly Public Meeting, Bocas del Toro, Panama. 2009.

Presenter. *"Regional Marine Protected Area (MPA) Social Science Research Needs"*. The Coastal Society (TCS). Annual meeting paper presentation. Newport, Rhode Island, USA. 2004.

Presenter. “Summary of Existing MPA Social Science Research in the South Atlantic”. National Oceanic and Atmospheric Administration (NOAA). South Atlantic Social Science Research Workshop paper presentation. Savannah, Georgia, USA. 2004.

Presenter. “Summary of Existing MPA Social Science Research in the Pacific Islands”. National Oceanic and Atmospheric Administration (NOAA). Pacific Islands Social Science Research Workshop paper presentation. Big Island, Hawaii, USA. 2004.

Presenter. “Summary of Existing MPA Social Science Research in the Caribbean and South Florida”. National Oceanic and Atmospheric Administration (NOAA). Caribbean and South Florida Social Science Research Workshop paper presentation. St. Croix, US Virgin Islands. 2003.

ADVISING & TEACHING EXPERIENCE

Current PhD Students

Ricardo De Ycaza – Public Policy, OSU. Dissertation topic: Blue Economy and Development in Latin America. (Academic Advisor and Committee Chair)

Lucas Pacheco – Humanities, University of Panama. Dissertation topic: Human Dimension of Fisheries in Panama. (Academic Advisor and Committee Chair)

Eric Wade – Fisheries and Wildlife, OSU. (Committee Member)

Risako Sakai – Applied Anthropology, OSU. (Committee Member)

Steven Johnson – Geography, OSU. (Committee Member)

Savanah Leidholt – Environmental Science, OSU. (Graduate Council Representative)

Current Master’s Students

Emily Griffith - Master of Public Policy, OSU. (Academic Advisor and Committee Chair)

Victoria Williams - Master of Public Policy, OSU. (Academic Advisor and Committee Chair)

Diane Brandt - Master of Public Policy, OSU. (Committee Member)

Ian Johnson - Executive Master of Public Policy, OSU. (Committee Member)

Kaetelyn Sprofera - MSc in Environmental Science, OSU. (Committee Member)

Current Undergraduate Student

Allison Kurtz – Honors College, OSU. (Committee Member)

Completed Postdoctoral Scholar

Dr. Analiese Hettinger. Topic: Shellfish aquaculture under global change: integrating knowledge and information needs across scientific-political-societal landscapes. 2017. (Co-advised with Dr. Tessa Hill from University of California – Davis).

Completed PhD Students

Jenna Sullivan – Zoology, OSU. Dissertation topic: Marine mass mortality in a global change context: impacts on individuals, populations and communities. 2019. (Graduate Council Representative)

Traben Pleasant – Applied Anthropology, OSU. Dissertation topic: Tiers of Development: Technology, Education, and Black and Indigenous Life in Bocas del Toro, Panama. 2020. (Committee Member)

Completed Master’s Students

Jasmine King - Master of Public Policy, OSU. (Committee Member)
Dominique Kone – MSc in Marine Resource Management, OSU. (Committee Member, Minor Professor.)
Adrian Laufer - Master of Public Policy, OSU. 2019. (Academic Advisor and Committee Chair)
Kayla Martin - Master of Public Policy, OSU. 2019. (Committee Member)
Sativa Cruz - MSc. Forest Ecosystem and Society, Forestry, OSU. 2019. (Committee Member)
Eric Wade - MSc. Fisheries and Wildlife, OSU. 2018. (Committee Member)
Katlyn Haven - MSc. Marine Resource Management, OSU. 2018. (Committee Member)
Reva Gillman - MSc. Marine Resource Management, OSU. 2018. (Committee Member)
Divya Sharma - MSc. Biology (Neotropical Environment Option, McGill University. 2014. (Committee Member)

Completed Undergraduate Student

Owen Welch – Environmental Science, OSU. (OSU Cooperative Institute of Marine Resources Fellowship Mentor)
